SMARTSERVICES™

INDUSTRY 4.0

GET READY TO ALWAYS STAY CONNECTED

**A HERO GETS THE
LINE RUNNING AGAIN
AFTER DOWNTIME.**

**A LEGEND
MAKES SURE
THAT IT NEVER
STOPS IN THE
FIRST PLACE.**

You're always the go to guy, the person that everyone turns to. But with **SMARTSERVICES™**, your reputation - and quality of your life - will get even better. Thanks to our web-enabled interface, you'll have complete control over your plant floor anywhere you go, any time of the day or night. And you'll be alerted to issues before - not during or after they occur - via text or email.

You have questions. And thanks to SMARTSERVICES™, you'll have answers – any time and any place!

How long until the machine is fixed? What's the latest news on that issue? Do we have any efficiency bottlenecks? How much material was used in that job? When will it run out of material?

These are the questions that you get asked all of the time. Now, you can get the answers you need wherever you are, directly on your smart phone or laptop. No need to be tied down or stuck in the office!

When you use our service contract, genuine Conair parts and SmartServices™, you get peace of mind and a whole lot more. You get **UPTIME GUARANTEED.**

We never rest, so you can.

You'll get guaranteed customer service from a real person in 15 minutes or less – day or night. Plus, we ship replacement parts in under 6 hours. Anywhere in the USA. 7 days a week, 24 hours a day.
